

## **5 Days Zambezi Whitewater Rafting Itinerary**

---

### **Arrival and pre-trip check-in**

Arrive at Victoria Falls Airport in Zimbabwe one day prior to the start of your itinerary . Enjoy an optional sunset cruise above the falls, sip on a refreshing cocktail, and watch as the local hippos bask in the setting African sun.

**Please note:** Accommodations are not included on this night. We help you secure an affordable but good accommodation that suits your taste.

---

### **Day 1- Victoria Falls National Park**

A Shockwave representative will pick you up from your hotel. Look out for elephants as you drive through the Victoria Falls National Park to the put-in, where you'll be given a thorough safety talk before practicing your paddling stroke under the direct mist of Victoria Falls. Get ready for some of the best rafting in the world: Class IV and V rapids including Morning Glory, Stairway to Heaven, Land of the Giants, and the Devil's Toilet Bowl. You'll certainly earn your rest—and who needs a five-star hotel when you'll be camping under a blanket of stars.

---

### **Day 2- Moemba Falls**

Continue on your rafting journey through action-packed rapids. Arrive at Moemba Falls, your campsite for the night, and a stunning waterfall that you'll portage before setting up camp. Fall asleep to the relaxing sound of rushing water.

---

### **Day 3- GhostRider Rapid**

Enjoy a pancake breakfast to ensure that you're ready to take on one of the biggest rapids in Africa, "GhostRider," and the exciting rapids that follow. Watch as the river narrows and the mighty force of the water shapes the surrounding rocks and riverbanks. The rest of the day is a scenic adventure on the Zambezi, where you'll be on the lookout for wildlife while you enjoy basking in the sunshine. A large beach awaits you for fun and games and another night of camping under the stars.

---

### Day 4- Wildlife viewing

Wake up to a fully prepared breakfast, load up on the rafts, and enjoy the day cruising down the river, taking in the sights, sounds, and hopefully a view of some real African game! Try your hand at fishing for tiger fish to cook on the fire along with a traditional Zimbabwean dinner and singing show from your guides.

---

### Day 5-Take-out

Wake to the sun rising over neighbouring Zambia, and embark on the final, quick stretch to the finish line. A cooler full of drinks awaits you at the small Zimbabwean village take-out, and although it will be relief to reach the end, the feeling will be bittersweet as you leave the mighty Zambezi behind you. Watch the landscape rush past you as the Shockwave truck brings you back to the town of Victoria Falls.

**Please note:** Accommodations are not included on this night.
